

FRIENDLY LINK

Purchasing Department

Friendly Link offers its services as a purchasing department.

As part of this service, Friendly Link purchases the requested merchandise according to specification schedule, criteria and targets set by the customer.

In this process **Friendly Link** is the supplier responsible for the purchasing process in all its stages until the merchandise reaches the country.

This provides a comprehensive solution for the purchasing and import process, providing cost savings as well as saving in manpower.

The stages of the process:

- Locating suppliers
- Conducting negotiations
- Ordering samples
- Approval by customer prior to placing the order
- Handling of the entire order
- Organizing the necessary documentation
- Comprehensive treatment until the merchandised reaches its destination country.

**Allow us to concentrate on the purchasing
so that you may focus on merchandising!**

The sensible way to do business in a global environment
